Creekmont Faith Promise

Creekmont increased their commitments to missions by 400% in their recent Faith Promise Missions Conference! Pastor Danny Mendoza has led this church in numerical growth and in increased faith over the last eight years. The church stepped out in faith to be the sending church for **Missionaries John & Amber Strader** in Malindi, Kenya. God has blessed them with provision of funds for the work. Now the church is stepping out in greater faith and trusting God to provide in an even greater way.

Please contact me if you would like to introduce Faith Promise mission giving at your church.

Continuing to Serve IA

It has been a privilege to serve twice over the last four years on the faculty and administration of International Academy, a Christian school for cross-cultural children in Saint Petersburg, Russia. I still serve the school on this side of the ocean by serving on the board of Expatriate Education International, the non-profit which represents the school in the USA. Please pray for this unique ministry.
